EDUCATION

- **2022- 2025**
  Asia Pacific University (APU)
  CGPA: 3.10
- **2016-2021**
  Chong Hwa High School (SBR)
  SPM: 3A
  UEC: 1A7B

ABOUT ME

I am a passionate and motivated fresh graduate in Software Engineering from Asia Pacific University (APU), with a strong foundation in programming, software architecture, and system development. While I may not have formal industry experience, I am eager to apply the knowledge and skills I gained during my university studies to real-world software development projects. I am committed to continuous improvement, both in hard skills and soft skills, and I am actively seeking opportunities to grow as a developer.

WORK EXPERIENCE

- **FOOD BOOTH ASSISTANT**
  - Adaptability, make the right order based on the customer requirement.
- **IT DEPARTMENT （YYC & CO PLT）**
